**25 FEMALES**

# INFORMATION

**TIME** — Show will be held at 9:00 a.m. February 26, 1972. Sale will follow at 1:00 p.m.

**LOCATION** — Cooper Arena, Ohio State Fairgrounds, west of Int. 71 at 17th Ave.

**SALE HEADQUARTERS** — Ramada Inn, 1213 East Granville Rd., Columbus, Ohio 43224. Phone AC 614/885-4084. Located at Junctions Int. 71 and Ohio Rt. 161, north side of Columbus. Call or write direct for reservations, mentioning the Ohio Futuramic Polled Shorthorn Sale, or contact sale management.

**BANQUET AND SOCIAL HOUR** — Friday evening, Feb. 25, at Ramada Inn. Dutch Treat Bar begins at 6:00 p.m.

**PHONES** — Sale Management 402/393-7200  
Sale Headquarters 614/885-4084  
Cooper Arena 614/299-0044

**TERMS AND CONDITIONS** — All cattle sell under the Standard Guarantee recommended by the American Shorthorn Ass'n and found in the back of this catalog. Terms of the sale are cash and settlements are to be made during, or immediately following the sale. Be sure to give clerks complete address and transfer instructions.

**INSURANCE** — Will be available sale day at the clerk's desk.  
Insurance will be handled by Harding & Harding, Geneva, Ill.

**FOOTNOTES** — Where footnotes appear in the catalog, they were written by the owners. Announcements from the block take precedence over printed material in this catalog.

**LIABILITY** — All persons who attend this sale do so at their own risk. The owners, sale managers, the Ohio Polled Shorthorn Ass'n, ringmen or clerks assume no responsibility, legal or otherwise, for any accidents which may occur. The sale of each animal constitutes a contract between the buyer and the seller. The sale management is not responsible for the buying contract or status of health papers.

**MAIL BIDS** — We hope it will be possible for you to attend. If you cannot, mail or telephone your bids to the auctioneer, sale management, or any of these responsible men:

C. D. Swaffar, executive secretary, American Shorthorn Association, 8288 Hascall St., Omaha, Neb. Phone 402/393-7200

Director, Ohio Dept. of Agriculture

## SOMETHING FOR EVERYONE . . .

This sale will contain something for everyone intent on adding extra quality to his herd . . . the new breeder, the established breeder, the commercial man, and the FFA and 4-H exhibitor.

The footnotes promise a great offering. Many have been prominent show winners this past show season and/or are half sisters and brothers to show champions.

Remember, \$10,000 in cash premiums will be awarded to exhibitors by the Ohio Department of Agriculture and the Ohio Polled Shorthorn Ass'n. These generous awards have attracted consignments from five states. FOR SOME OF THE BEST POLLED SHORTHORNS TO SELL AT AUCTION THIS SALE SEASON, ATTEND THIS SALE.

## PREMIUMS

No show classification is being printed in this catalog . . . it will be posted February 25th. It is our hope that some additional female entries will be forthcoming (so if you would still like to consign, contact the A.S.A. Sale Management or Col. Alvin Greenhorn). Since dropouts, substitutions and additions would change the breakdown of cash awards by classes, it was felt that a show classification based on the actual number of cattle that show up would be the simplest method of determining class prizes.

In lieu of ribbons, cash prizes will be awarded in each class.

There will be a class for the best pair.

Both grand champion bull and female will receive a \$500 cash award in addition to a plaque.

Each reserve champion will receive \$250 and a plaque.

This Ohio female was junior and grand champion at the 1971 International Polled Shorthorn show. An Ohio bull was also grand champion. Ohio exhibitors won eight classes and six championships at Chicago. Proof that some of the best Polled Shorthorns in the nation are pastured in Ohio.

## LOT 1—BULL

Glenn O. or W. D. Franks

### ROBINHOOD DIRECTOR x3420-181

**ROBINHOOD DIRECTOR x** — Weighed 82 lbs. at birth; 245 lbs. at 2½ months of age; 590 at 205 days with an adjusted daily gain of 2.48 lbs. He graded 14 at two and a half months and at 7 months of age. In August he weighed well over 1,300 lbs. We have used this bull lightly, and he has four calves to prove his improving ability. Out of a top cow by a son of the \$60,000 Bapton Constructor. His dam is a good milker and always has a top calf. This bull is also a grandson of the International grand champion Creekland Lancer x. This bull was junior champion at two fairs when one month of age and has been grand champion at two fairs every year since. Should make a top breeding sire.

**TIMBERLEE'S RODNEY 53rd x.** This champion sells as Lot 2

**LOT 2—BULL**

**Smalstig, Inc.**

**TIMBERLEE'S RODNEY 53rd x 3398-996**

	Hawthorne Gondolier x Roan, Hawthorne Farm	Cherry Hill Bluster x Dk. Roan, H. L. Straus Memory's Lady Gwynne x Roan, Albert G. Robinson

**TIMBERLEE'S RODNEY 53rd x** — Out of one of the great polled cows of the breed. Her heifer was International grand champion for us in 1969 and she in turn produced the 1971 Ohio State Fair reserve champion bull. All Gwynne's calves, by any bull, are our tops. Rodney 53rd was reserve junior champion at the 1970 Pennsylvania National and first-prize senior yearling at the 1971 Pennsylvania and Eastern Nationals. His performance test is outstanding and we are now getting calves by him. An aggressive breeder. Adj. 205-day wt., 545 lbs.; ave. daily gain, 2.42 lbs.; index ration, 105. Yearling record — 365-day wt., 1,064 lbs.; ave. daily gain, 2.40 lbs.; index ratio, 107. Weight on Jan. 6, 1972, 1,840 lbs.

Tynywtra's Meteor 7th x and some Polled Shorthorn cows in the Southwestern Nebraska herd of Willard Schlegel & Son, Culbertson. The "7th" is a half brother to the Lot 3 bull in this sale and has made a tremendous record in the Schlegel herd. Looks mighty good for a bull in his working clothes and during Nebraska's hot August weather. Humphrey bulls have a reputation of doing a great job for their new owners.

**ALFADALE MODERN LEADER x**—A real growthy bull that gained 3 lbs. per day on official test. Adjusted yearling weight of 1,020 lbs.

**POLLED SHORTHORNS TOP ALL****BREEDS IN FEEDER SALE**

A pen of purebred Polled Shorthorn steers consigned by Arch and Peg Allen, Livingston, Mont., realized the top dollar return over 3,500 steers of all breeds at the 1971 Northern International Livestock Exposition, Billings, Mont.

The Allen pen was reserve grand champions over all breeds. They averaged 562 lbs., the fourth heaviest weight of the sale, and brought \$56.00 per cwt., the second highest price. Their weight and price made each steer realize \$315 . . . the top price of the sale.

This is the second straight year that the Allens have achieved this record and again proves the money-making ability of Polled Shorthorn seedstock . . . the kind you can buy in this sale. **YOU DON'T NEED EXOTICS WHEN YOU CAN BUY POLLED SHORTHORNS!**

**PARASIAN ROYAL ROBIN x** — This is the best prospect for a herd bull that has ever been produced at Parasian Valley Farms. A little too young to sell to best advantage but check his size potential for the 1972 show circuit.

## POLLED SHORTHORNS . . . . A BREED ON THE MOVE

Polled Shorthorns experienced a 17.5 percent increase in registrations for the 1971 fiscal year . . . one of the most substantial upturns scored by any beef breed. Polled Shorthorn transfers were up 15.8 percent for the same period . . . also one of the beef industry's largest increases. Both figures substantiate the impressive growth of the Polled Shorthorn industry and the strong market which exists. DO AS SO MANY CATTLEMEN HAVE DONE . . . JOIN THE POLLED SHORTHORN INDUSTRY AND AFFILIATE YOURSELF WITH AMERICA'S FAST-GROWING BEEF BREED.

**SCOTCHDALE CLIPPER ANN x** — A brood cow prospect with a good pedigree. Sells bred to Questing's Leader 29th x, reserve grand champion at both the 1971 Wisconsin and Michigan state fairs.

## THE WAY TO BETTER BEEF

A recent study of 307 steers and heifers, exhibited at the Nebraska State Fair and slaughtered, indicated an overwhelming grade advantage for Shorthorns. Look at the figures:

Breed	Percent that graded low choice or better
Shorthorn .....	95 percent
Angus .....	82 percent
Crossbreds .....	63 percent
Herefords .....	48 percent

The surest way of assuring that your cattle will produce choice carcasses is through the use of Shorthorn and Polled Shorthorn bulls.

**ALFADALE ROAN QUEEN x** — An extremely modern heifer with quality. Her dam, a 1,300-lb. three-year-old, is without a doubt the best cow on the farm. Will calve in May to Alfadale Modern Leader x. Calfhood vaccinated.

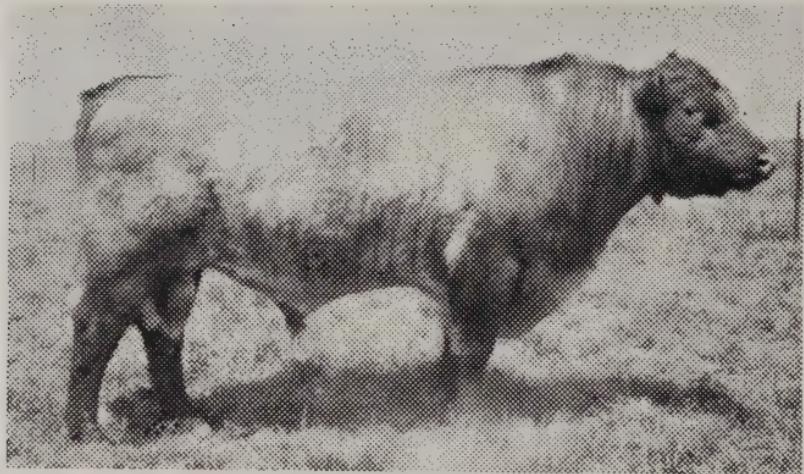

**POLLED SHORTHORN GROWTH**

If sale and show results weren't ample proof of the growing stature of Polled Shorthorns within the Red, White and Roan breed, registration statistics confirm that polleds are becoming more popular within the breed.

In 1970, Polled Shorthorn registrations increased 19.7 percent. In 1971 they increased 17.5 percent. Today Polled Shorthorns make up nearly one-half of the total A.S.A. registrations while eight years ago they made up slightly more than 25 percent of the registration business.

Polled Shorthorn registrations since 1963 and their percentage of total A.S.A. recordings are:

Year	Registrations	Percent of Total
1963	10,426	27%
1964	11,243	28
1965	10,613	28
1966	10,934	28
1967	11,068	28
1968	12,727	29
1969	10,241	30
1970	12,261	34
1971	14,406	44

## WHY POLLEDS?

They are hornless . . . no losses from horn-damaged carcasses.

They get bigger and do it faster. Just study the performance results in this catalog.

They are more efficient.

They have a quiet, docile temperament.

No dwarfism.

More prolific. Polled Shorthorns produce regularly. "Working" cows up to 15 years of age are common among Polled Shorthorns.

# STANDARD GUARANTEE

ENDORSED BY THE AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
